technical datasheet

GSD-30

Ground Screw Driver

- **GSD-30 set includes:**
  - *GSD-30*
  - *handle*
  - *long-leg*
  - *long-leg connector*
- ***Adaptors for ground screws are not included***

Technical Data

	MAX. TORQUE	voltage	max. power consumption	max. AC current	no-load speed	dimensions (for shipment)	weight (with leg)
	N.M	V	W	A	rotation/min	mm	kg
GSD - 30	3600	230	2000	9	12	235x45x45	62

Recommended to work with following ground screws

(recommended for soft soil, no stones)

OUTER ⌀	max. length
mm	mm
76	2100
89	1500
114	- -

Recommended to work with following adaptors

(not included in set, should be purchased seperately)

M adaptor

fits M profile
⌀ 76 mm
⌀ 114 mm

U adaptor

fits U bracket

U adaptor

fits U bracket

G adaptor

fits G profile
⌀ 76 mm

G adaptor

fits G profile
⌀ 114 mm
